

Joshua D. Leasure, P.E.
Senior Consultant

Résumé

Professional Services: Joshua Leasure, P.E., is responsible for conducting measurements, analyses, design, detailing, and recommendations for architectural acoustics, sound isolation, mechanical and industrial noise control, and environmental noise. Mr. Leasure's interests and technical specialties include computer modeling, transportation noise, community noise, and acoustics and vibration measurement.

In addition, Joshua enjoys finding ways of contributing to the local community, such as participating in and lending technical expertise to discussions on local community noise issues and volunteering at the regional science fair.

Experience: Prior to joining JEACOUSTICS, Mr. Leasure was an Associate at Veneklasen Associates in Los Angeles, California, and worked in environmental noise at Hankard Environmental in Fort Collins, Colorado. After earning his B.S. in Engineering from the Colorado School of Mines he did noise research for CSM's Western Mining Research Center.

Registration: Licensed Professional Engineer, Texas, 2009, No. 105059
JEAcoustics Firm Registration: TxBPE Firm No F-6534

Years with JEACOUSTICS: 4 (2008) **Residence:** Austin, TX

Education: B.S., Engineering (Mechanical), Colorado School of Mines, 2002

Seminars:

National Conference on Noise Control Engineering, Portland, OR, 2011
158th Meeting of the Acoustical Society of America, San Antonio, TX, 2009
146th Meeting of the Acoustical Society of America, Austin, TX, 2003
National Conference on Noise Control Engineering, Cleveland, OH, 2003
"Noise Control for Buildings, Manufacturing Plants, Equipment and Products,"
Hoover & Keith, Orlando, FL, 2006

Professional Affiliations: Acoustical Society of America (ASA).

JEACOUSTICS belongs to the National Council of Acoustical Consultants (NCAC).
